Our commitment

At Avonreach Academy Trust, we greatly value the importance of the early years foundation stage (EYFS) in providing a secure foundation for future learning and development.

Our school policies have been developed in conjunction with the relevant DfE guidance and legislation to ensure that each child has a happy and positive start to their school life in which they can build a foundation for a love of learning.

We ensure that children learn and develop well and are kept healthy and safe. We promote teaching and learning to ensure children's 'school readiness' and give children a broad range of knowledge and skills that provide the right foundation for good future progress through school and life.

We seek to provide:

- Quality and consistency, so that every child makes good progress, and no child gets left behind
- A secure foundation through learning and development opportunities which are planned around the needs and interests of each child and are assessed and reviewed regularly
- Partnership working between practitioners and parents
- Equality of opportunity and anti-discriminatory practice, ensuring that every child is included and supported
