Our commitment

Avonreach Academy Trust schools are committed to improving the life chances of all of pupils, including those who are disadvantaged. Our approach to teaching and learning aims to remove barriers to success and to develop young people who are determined and resilient learners.

To this end we work within the following principles:

- To improve academic outcomes for all - we want every child to have the opportunity to succeed academically and to realise their full potential. Our aim is to remove any barriers to learning and offer targeted support and advice to improve the knowledge, skills and understanding of the curriculum
- Our schools will closely monitor the educational outcomes of every child and to endeavour to put in place interventions within and, if necessary, in addition to the classroom environment
- To support the well-being of our pupils and their families
